

IN9128 Distribution Amplifier (DA) Under-Desk Mounting Kit Installation Instructions

Mount the DA using the optional IN9128 mounting brackets as follows:

1. If necessary, remove the feet from the bottom of the DA.
2. If the name "Inline" is printed on the DA, remove the two screws on each side of the DA. Use these screws to mount the brackets.
3. Attach the mounting brackets to the DA using either the four supplied machine screws or the four screws removed in step 2.
4. Hold the DA and brackets against the underside of the surface to which you are mounting the DA, and mark the four screw holes.
5. Drill four pilot holes, each 3/32" (2 mm) in diameter by 1/4" (6 mm) deep, at the marked locations.
6. Using the four wood screws provided, attach the brackets under the mounting surface.
