

# Cable Cubby 650 UT

DISCREET INTEGRATION OF AV CONNECTIVITY, CONTROL,  
AND POWER FOR ANY SURFACE

- ▶ Provides convenient access to AV, data, power, and control
- ▶ Easily expandable when additional AV connectivity is required
- ▶ Subtle, under-table design compliments high end furniture and can be installed with or without a table-matching lid
- ▶ Accommodates Series AC or AC+USB power modules, plus up to three Retractor modules, eight AV cables, and/or three AAP™ AV connectivity modules
- ▶ Integrated mounting brackets accommodate any table top thickness
- ▶ Height-adjustable Retractor bracket, Cable Pass-Through bracket, and AAP bracket included; Retractor modules, cables, and AAP modules sold separately

## DESCRIPTION

The **Cable Cubby® 650 UT** is a modular, under-table mounted cable access enclosure for AV connectivity, remote control, and power. Its flexible, open design facilitates easy cable access for integration into high-end furniture with a professionally-fabricated table-matching lid. Cable Cubby 650 UT enclosures can be ganged together for a nearly endless selection of AV connectivity options. It accommodates up to three AAP™ AV connectivity modules or eight AV cables and three Extron Retractor Series cable retraction modules. Integrated mounting brackets accommodate any table top thickness. The Cable Cubby 650 UT is available in a black finish.

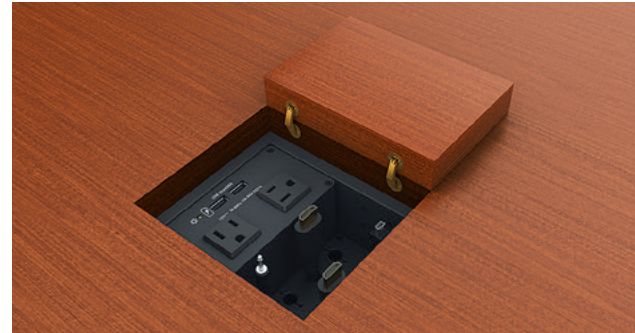

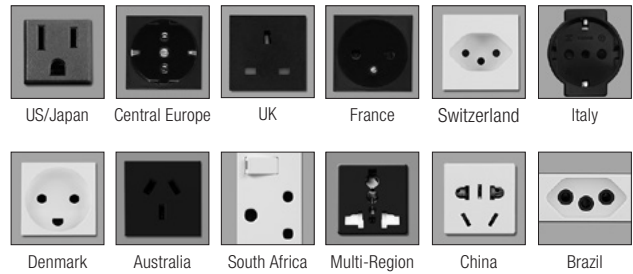

- ▶ AC and AC+USB Series power modules are available for US, Europe, and other major world markets
- ▶ Optional US AC outlets are UL/c UL listed
- ▶ Compatible with Cable Cubby Series accessories

**The Cable Cubby 650 UT requires precision table cutting and professional carpentry skills for proper installation.**

Two or more Cable Cubby 650 UT enclosures can be ganged together for a nearly endless selection of AV connectivity options.

## AVAILABLE POWER OUTLETS

Cable Cubby 650 UT open – Compatible with Series power modules, AAP modules, Extron Retractor modules, and cables.

Cable Cubby 650 UT closed – Installed with a professionally-fabricated table-matching lid, it offers a discreet, architecturally-friendly design.
