

ZipClip™

MOUNTING KITS FOR 1/8 AND 1/4 WIDTH PRODUCTS AND EXTERNAL POWER SUPPLIES

- Enables Extron products to be quickly and securely mounted to rack rails, tables, shelves, and lecterns
- Wire tie slots for proper strain relief and dressing of excess cable
- ZipClip 100 mounts Extron PS Series External Power Supplies
- ZipClip 200 with ZipCaddy™ 200 mounts eighth-rack and quarter-rack width, 3" deep products
- Quick release tab allows for easy installation and removal
- Designed and manufactured by Extron

ZipCaddy™ 200 Mounted in ZipClip 200

The patent-pending ZipClip™ mounting kits provide quick and flexible installation options for eighth-rack and quarter-rack width Extron products and PS Series external power supplies. The ZipClip can be mounted to rack rails, tables, lecterns, and shelves, and includes wire tie slots to enable proper strain relief and dressing of excess cable.

DESCRIPTION

The Extron **ZipClip™** mounting kits enable Extron products to be quickly and securely mounted to a variety of surfaces, including rack rails, tables, shelves, and lecterns. The compact ZipClip 100 is intended for use with the Extron PS Series External Power Supplies, which lock securely into the ZipClip with a simple “click.”

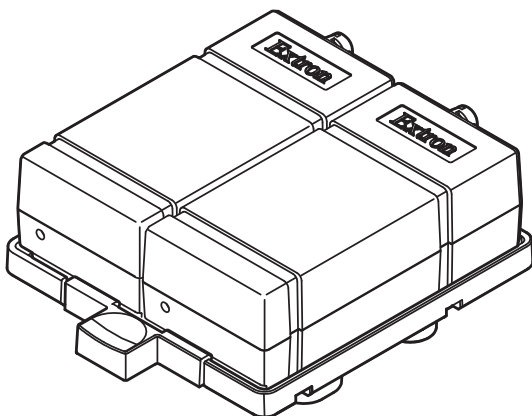

The ZipClip 200 kit provides quick and flexible installation options for eighth-rack and quarter-rack width, 3" deep Extron products. This patent-pending two-piece kit includes the ZipClip 200, which mounts easily under a table, on a shelf, or to a rack rail; and the ZipCaddy™ 200, a secure mounting platform for one or two Extron products, depending on size. Installation of the Caddy requires nothing more than a simple “click” of the clip to securely lock it into place. The product is removed from the clip by pressing the quick release tab.

ZipClip components include multiple wire tie slots for proper strain relief and dressing of excess cable.

ZipClip mounting kits are ideal for applications that require a quick and secure method of mounting Extron products.

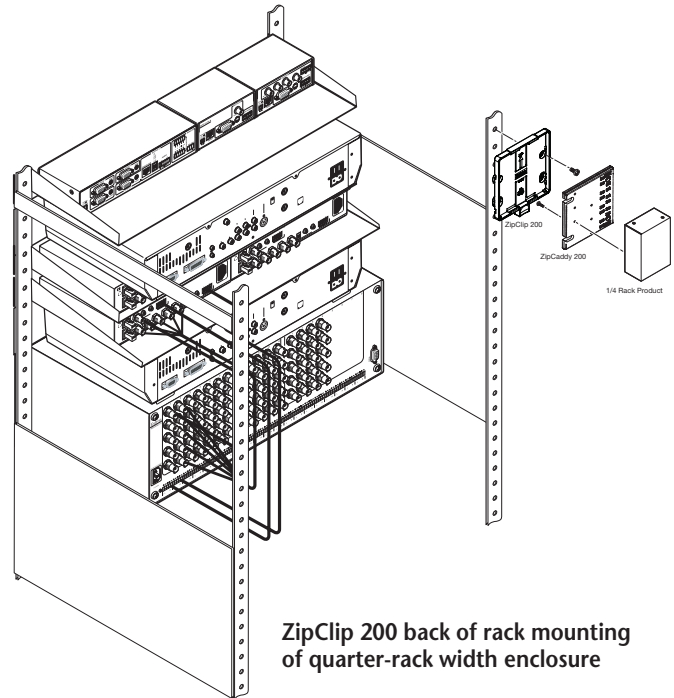

FEATURES

- Enables Extron products to be quickly and securely mounted to rack rails, tables, shelves, and lecterns
- Wire tie slots for proper strain relief and dressing of excess cable
- ZipClip 100 mounts Extron PS Series External Power Supplies
- ZipClip 200 with ZipCaddy 200 mounts eighth-rack and quarter-rack width, 3" deep products
- Quick release tab allows for easy installation and removal
- Designed and manufactured by Extron
