

Extron® UCM R308 Rack Mount Panel • Installation Guide

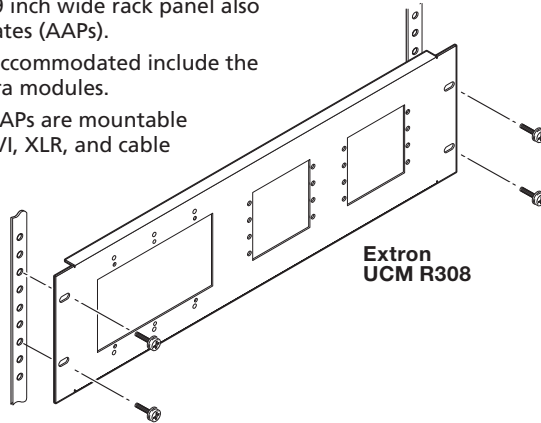

The UCM R308 is a 3U-high rack panel for mounting a three-gang product onto a rack. The full-width, 19 inch wide rack panel also mounts eight architectural adapter plates (AAPs).

Three-gang Extron products that are accommodated include the TLP 350MV, MLC 226 IP, or three Decora modules.

The entire line of optional accessory AAPs are mountable (including AC Net AAP, VGA, HDMI, DVI, XLR, and cable pass-through plates).

The UCM R308 is available in black powder coated steel.

See the diagram at the right to mount the panel to a rack. See the other side of this card for a diagram of how to mount products to this panel.
